PROFILE

A dedicated web developer who found an interest in this sector. I made many projects, like doctors, car repair, hotel booking, e-commerce, leaderboard, foods, etc. All the projects are interactive. I haven't any experience but I can assure you that I will do this job with my full dedication.

SKILLS

Comfortable: HTML 5, CSS 3, Bootstrap, Tailwind, JavaScript, ES6, React, Node js, Express js, MongoDB

Familiar: Material UI, React Native

Tools: GitHub, VS Code, Chrome Dev Tool, Firebase, Heroku, Netlify
